FIRST AID KIT OFFER

Safety at the workplace is important and the law requires employers to have a first aid kit in their establishment.

The company Services SVP is offering competitive prices for members of the SDBSL. The first aid kit, worth nearly \$200, is

offered for \$69 + taxes. Services SVP will visit you in the upcoming weeks for you to take advantage from their offer.

New: Ongles Studio K offers 10% discount on many services.

Consult the details of the different offers in the members page under TOOLS and PROMOTIONS & CONTESTS.
