## **OFFICES CHRISTMAS PARTIES AND SECRET SANTA IDEAS**

It's that time of the year again...your office is planning its Christmas party and Secret Santa gift exchange! It might help tighten the bonds between you and your colleagues, but it might also

be a bit of a headache to try to find that perfect gift.

For your Christmas party, think local: reserve a table at that new restaurant in front of that you walk by every day. Have a look at the Boulevard's [directory](#) for ideas.

For your Secret Santa exchange, we've selected 8 original and affordable shops on the boulevard where you'll find great gift ideas.

## NEW ON THE BOULEVARD

### 1. [La Belle et la Mer](#)

For those of you who get on the Main by Mont-Royal, chances are you've already noticed this beautiful hair salon. Color, cut, blow dry and even a mani-pedi WITH FISH are among the many services offered by their very dynamic team (and their fish).

### 2. [La P'tite Grenouille](#)

This pub is well-known around Quebec and it's now made its way to Montreal. For their Montreal debut, La P'tite Grenouille decided to open on the Main, of course! Karaoke on Sundays, \$1.50\$ for a buck of beer on Wednesdays and live bands are all on the menu.

### 3. [Banh Mi Queen](#)

Banh mi are delicious Vietnamese sandwiches. If you've never tried one, well you're missing out! And if you have, you'll be glad to hear that a banh mi joint has opened close to where you work. The owners of Big in Japan have rented the place next door and are now serving banh mi there.

### 4. [Dirty Dogs](#)

You probably already know the legendary hot-dog place on Mont-Royal—the one that gets crazy line-ups after bars close on the weekend. Well, good news everyone! They're opening a second location, on the Main, WITH AN ALCOHOL PERMIT!

It will be located south of *des Pins* and should open in December 2016.
