

### **SPECIAL OFFER FROM BIXI**

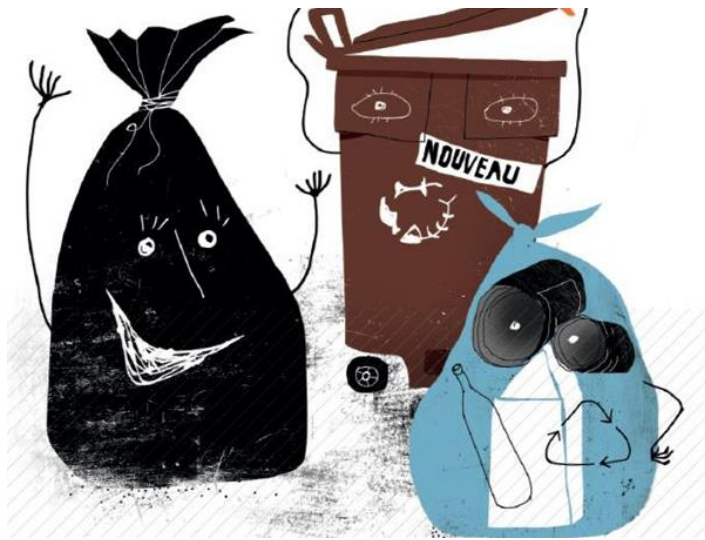

You and all of your employees could benefit from a **20% discount** on a 1-year subscription to BIXI (from April 15<sup>th</sup> to November 15<sup>th</sup>).

The Saint-Laurent Boulevard is so easily accessible by bike that you really have no excuse not to register.

The offer is **valid from today and until June 1<sup>st</sup>**.

You can find the promo code by downloading the PDF file called “(FR) Bixi – Abonnements groupés” on the members page, under “TOOLS” and “PROMOTIONS & CONTESTS”.

## **REMINDER: HOW TO DEAL WITH RECYCLING**

The new garbage and recycling pick-up schedules are causing a lot of headaches.

The SDBSL is currently working on convincing the Borough to be more tolerant about the schedules.

In the meantime, you could

still get a fine if you do not respect the schedules and comply with the rules.

Here are some things to keep in mind:

- Put the recyclable materials in a bin or a bag;
- Flatten and tie up cardboard boxes when they cannot fit in a bin or bag;
- Never put anything on the soil around trees or against urban furniture.

Fines for not conforming may reach hundreds of dollars, so be careful!

## **ALCOHOL PERMITS RENEWAL FOR YOUR TERRACES**

Terrace season is almost upon us!

You are probably aware that some rules have been adapted by the Borough, as well as a new shorter period available from June 15<sup>th</sup> to October 15<sup>th</sup>.

If you have an **alcohol permit** and are building a terrace for the first time, don't forget to send a **request to the RACJ** so you can serve alcohol on your terrace. The application process can take up to 3 months!

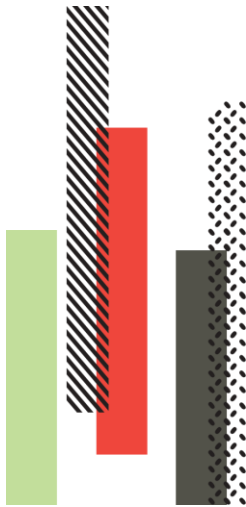

## **TRAFFIC SPEED**

Don't forget that the Plateau-Mont-Royal has reduced the speed of traffic to 40km/h in the neighbourhood.

The goal is to keep pedestrians and cyclists safer on the road and at intersections.
