MAY 2017

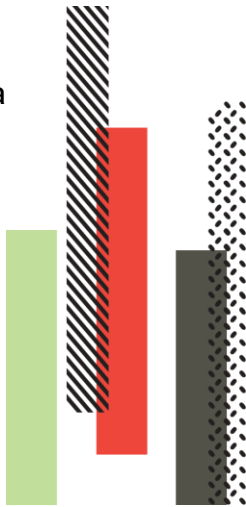

MURAL FEST 2017

Having concluded its 4th edition in 2016, MURAL has been able to position itself as the most important urban art festival in North America! We are eagerly awaiting the 5th edition that will take place on Saint-Laurent from **June 8th to the 18th**.

The boulevard will be opened to pedestrian traffic only for the 11 days between Sherbrooke and Mont-Royal.

You won't want to miss the delicious dishes available at only \$4 each during Grill Saint-Laurent! **McKibbin's, Buonanotte, Diablos, Burrito Shop, Main Deli, Poulet 3 Pattes Express, L'Gros Luxe and Le Ice & Tacos** will be in MURAL's main zone from **June 14th to 16th, between 11am and 9pm!** This year, we got you covered when it comes to appetizers and dessert—look for **Maestro S.V.P.** and **Ripples** who will also participate in Grill Saint-Laurent

For those who participate in the street closure (if you've filled out a form), a participation permit will be given to you in person soon.

GARBAGE & RECYCLING PICK-UP DURING STREET CLOSURE

Every year during our street closures, the garbage and recycling pick-up schedules are slightly different than usual.

Take note that **garbage** will be collected **Monday June 12th and Thursday the 15th** between **6am and 8am**.

Please take it outside **after 11pm the day before**.

Recycling will be collected on **Monday June 12th between 6am and 8am**. Please take it outside **after 11pm the day before**.

If you encounter any problem, please contact the SDBSL at 514-286-0334.

BEAUTIFICATION OF SAINT-LAURENT

After having installed 30 flower boxes on our territory last year, we are happy to announce that we are installing **60 flower boxes** this year!

For the 5th edition of the MURAL Festival, **the New York artist Li-Hill will create**

an artistic installation on the old Berson Monuments site.

Right in front of the artistic installation we're installing a public terrace called "**placottoir**". It will be filled with greenery and available for locals and tourists to take a break, admire the artwork and eat a snack they've picked up at a nearby business and take in the sun!

LES VEILLEURS

To insure harmony between the boulevard's nightlife clientele and residents in the area, we are proud to announce that Les Veilleurs are coming back!

This mediation team will be on the boulevard **Fridays and Saturdays between 10pm and 4am all summer long.**

THE PORTUGUESE COMMUNITY CELEBRATES MONTREAL'S 375TH

The Plateau's Portuguese community celebrates our neighbourhood's diversity by creating a giant mural for the 375th anniversary of the city.

An impressive number of 1 160 *azulejos* have been installed on the side of Azores Home Hardware (on

Vallières Street). The piece was created by 10 Portuguese artists and **will be revealed on June 10th!**

STM - 55 LINE

We are very happy to share the news that the STM will be **extending the 55 line up to Henri-Bourassa metro** in Ahuntsic, as of **August 28th**.

This means that the 55 will now be another option for the customers to reach Saint-Laurent from the northern shore of Montreal.

TOUR LA NUIT / TOUR DE L'ÎLE

Please note that the *Tour la Nuit* and the *Tour de l'Île de Montréal* will respectively take place on **Friday June 2nd** and **Sunday June 4th**.

Rachel Street will be closed to cars between Laval and Esplanade Streets. The Saint-Laurent Boulevard will only be accessible to local traffic

between des Pins Avenue and Marie-Anne Street.

For information about the circuits and the schedules, go to the following link.
